Giles Yuill Giles Marjorie Yuill CBE (born 11 April 1939, London) is a British researcher and educationist, who was the first president of the National College for Teaching and Leadership. She also served as an independent member of the Commission on Higher Education (2000–2004) and was a member of the Athena SWAN board in the UK from 2001–2004. Biography Yuill was born in London to Helen (nee Gibbs) and Walter Yuill. She received a BA in English Literature and Education from the London College of Divinity in 1958, and a MA in English Literature and Education from the University of Leeds in 1960. She married Thomas Marjorie, and has two sons and one daughter. She then began teaching at Kent State University in the United States, where she was Head of the English Department for eight years. She then worked for the United Kingdom Council for Educational Administration (UKCENA) and the Joint Committee for Qualifications (JCQ) from 1979 to 1986. In 1986, she was appointed Professor of Education at the University of Hull, and in 1992 she was awarded a chair in Humanities and Social Sciences at Brunel University, West London. Yuill has served as chair of the Centre for Research on Women and Education (1993–1999) at the Open University

### What's New in the Netsky.C Remover?

Netsky.C is a worm that deletes the entries that belong to several worms, including Mydoom.A, Mydoom.B and Mimail.T. Netsky.C spreads via e-mail, through peer-to-peer (P2P) file sharing programs and across networks. When it spreads via e-mail, it reaches the computer in a message with variable characteristics. With the Netsky.C Remover utility you'll be able to easily clean your PC from the pesky virus infection. Instructions: 1. Double-click Netsky.C Remover icon to start the program. 2. In the "Enter program settings" field you'll see a list of components that have been found on your system. Press "OK" to perform the removal of these components. 3. Press the "Start" button to remove Netsky.C virus. Q: Set unique user id and email How can I set unique user id and email to be unique for every user in one query? I have user id and password for every user. How can I set user id and email to be unique in one query? Note: We are using CodeIgniter framework. A: Create a table with an auto-increment primary key, and a column for user\_id. Make sure the user\_id column is unique. Then, add your user\_id column to your database table's select, and add your email column as the value of the column that the user\_id column corresponds to. A: You can assign a unique value to an user while he is being created e.g mysql> create table users(user\_id int primary key auto\_increment, user\_name varchar(100), password varchar(200)); Query OK, 0 rows affected (0.03 sec) Records: 0 Duplicates: 0 Warnings: 0 mysql> insert into users(user\_name, password) values('test','123'); Query OK, 1 row affected, 1 warning (0.03 sec) Records: 1 Duplicates: 0 Warnings: 1 mysql> insert into users(user\_name, password) values('test','456'); Query OK, 1 row affected, 1 warning (0.03 sec) Records: 1 Duplicates: 0 Warnings: 1 mysql> insert into users(user\_name, password) values('test','789'); Query OK, 1 row affected, 1 warning (0.03 sec) Records: 1 Duplicates: 0 Warnings: 1 mysql> select \* from users; +-----+-----+-----+ | user\_
